A GREENHOUSE FOR THE SOUL

At Soularium, we help kids grow the most magical garden of all — their whole selves. Through playful practices, creative exploration, and nature's wisdom, we nurture body, mind, heart, and spirit. Children build lifelong tools to understand themselves, care deeply, and shine brightly. We plant seeds of awareness, tend to resilience, and watch confidence bloom. As within, so without.

Soularium is proud to be a certified vendor for:
Heartwood Charter School, Compass Charter Schools,
Vista Oaks Charter School, Visions in Education

Veteran educator Holly Grossman founded Soularium in 2021 to bring her teaching expertise and reverence for ancient practices, Mother Nature, and the unseen world to her community in the Bay Area. A former elementary school teacher, youth gymnastics coach, and literacy tutor, Holly brings over 30 years' teaching experience and a Master's Degree in Education from the University of Washington. These interactive mindfulness workshops for kids take place in Lafayette, CA.
